## Compiling our social history and celebrating Impact Initiatives' 30<sup>th</sup> Anniversary

**Wednesday 26<sup>th</sup> November 4.30—6pm**

We'd like you to come and help us build up our knowledge of Impact over the years, have your say, tell your story and share our birthday cake.

Impact Initiatives has a long and varied history and continues to evolve. We'd love to hear your memories of Impact (or PACT as it used to be called) over the years. It may be that you worked with Impact recently, perhaps you took part in the 21<sup>st</sup> anniversary celebrations, perhaps a member of your family sat on our Board or maybe you have been a part of our projects.

We will be having an event including our 43 existing members on **Wednesday 26<sup>th</sup> November 2008, 4.30 – 6.0pm** at **Impact Initiatives Offices, Brighthelm, BN1 1YD**. This will form the basis of the complete social history of the last 30 years.

There will be an opportunity to see photos from the 'Open House' exhibition at the YPC plus a selection of photos from the last 30 years.

Please come and meet current staff and exchange stories; whatever your involvement, we'd love to hear from you. If you are unable to attend please simply fill in the form overleaf and contribute to the story of Impact so far or email me on [rachel.nahum@impact-initiatives.org.uk](mailto:rachel.nahum@impact-initiatives.org.uk)

This event is part of a series celebrating Impact Initiatives' 30<sup>th</sup> anniversary and is an open invitation to all. If you know someone with a story to tell, please can you send me their contact details or forward this letter to them.

Please RSVP to Impact Initiatives, Brighthelm, North Road, Brighton. BN1 1YD, 01273 821914 or [info@impact-initiatives.org.uk](mailto:info@impact-initiatives.org.uk)

I look forward to hearing from you

Rachel Nahum  
Communications Officer

Name

What year did you first come into contact with Impact?  
In what capacity: staff, client, partner organisation, member, trustee, child

Who did you work with? What do you remember about them?

What are your fondest memories of Impact?

What were some of the challenges facing Impact Initiatives?

Can you list any changes that occurred at Impact whilst you were involved?

Any other stories that you would like to share?
