

Stopover Befriending Project.

Can you give 2–3 hours per week to befriend a Stopover resident?

Stopover provides supported housing to young woman aged 16–24 who are homeless or vulnerably housed. We are recruiting volunteers to act as befrienders to support residents to achieve their personal goals in preparation for living independently within the community.

Do you have good communication & listening skills?
Can you relate to and understand young women?
Would you like to make a positive difference to someone's life?
Are you non-judgemental and supportive?
Are you a woman aged 26 or older?
